

Mrs. Carroll's Class News

February

How we will spend our days . . .

February will be so much fun with days full of Valentine's crafts and a fun party where the class can exchange Valentines. In celebration of Arizona's birthday, we will spend time learning about things that make the state unique. We will learn about the importance of dental health and will wrap up our month with a week featuring books by author Mo Willems.

What we will be learning . . .

Themes: Valentine's Day, Arizona, Dental Health, Mo Willems

Nursery Rhyme: Do You Know the Muffin Man?

Review: We will continue to review all letters, phonograms, numbers, shapes, and colors learned so far. Shortly we will begin our alphabet again from letter Aa, focusing on identifying uppercase vs. lowercase and proper writing of letters. We will continue to work on numbers 1 - 20 with more time spent on identifying the teen numbers.

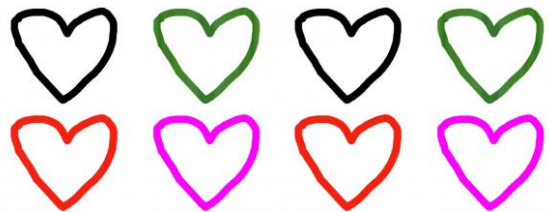

Reminders:

February 10 – Super Bowl Spirit Day. Wear your favorite team's colors to school

February 14 – Valentine's Day Party

February 17 – Early Release

February 20 – No school in observance of Presidents' Day
