What we are learning

To start off the month we will finish talking about our bodies and how to take care of them, and keep learning about the letter Z. I am so excited to talk about Valentines Day, I thought it would be a good idea to talk about friendship and kindness to go along with that. We will of course be learning about President's Day and learn about Abraham Lincoln & George Washington. After Valentines Day we will begin a unit on the author Laura Numeroff and her fun kids books such as: *When You Give a Mouse a Cookie.*
