

ATB Preschool News

Director's Note

I come to you with a Need that ONLY YOU can provide a solution to. SPEEDING through our school zone and through the parking lot has not improved from the start of the school year. At morning drop-off, the only parents driving through the second lane into the pre-k parking lot is OUR preschool parents and every day the crossing guard is mentioning that there have been cars rushing to arrive. Please know that there is NO repercussions to arriving by a specific time in the preschool program. We ask that you allow yourself the necessary time to arrive safely and take caution seriously in our parking lot. Pick-up time deserves the same attention to safety with kinder parents also using the center parking spaces. OUR CHILDREN'S SAFETY is a PRIORITY.

Thank You so much,
Mrs. Debi Ryder

Remember to send your child with a sweater or jacket as the weather finally begins to cool off. Rain is about the only reason we won't play outside. Outdoor play is important to the development of so many gross motor skills and their social experiences are priceless.

*Preschool policy is that we will be outside for morning drop-off unless the temperature dips **below 45'**. So, during winter, it can be quite chilly before school. Plan your drop-off according to your comfort.*

October 31st in Preschool

This is a special day for our little ones, and we can always find a way to incorporate a "DRESS-UP Day". 2022's Celebration will be:

ANIMAL KINGDOM CARNIVAL

Staff and students are invited to dress like any kind of animal, bird, bug, reptile, fish, etc.

NO Character costumes PLEASE. Be creative and it does not need to be elaborate. If you have t-shirt with an animal on it, or a headband that represents any living creature, that will work fine.

There will be fun animal related activities throughout the day!

Health & Wellness

As we enter the cold and flu season, please have your child stay home for proper care and rest if they show any symptoms of illness. They will work and learn best when they are feeling their best.

You may use the website "Report an Absence" button found on the Parent Resource section of www.ATBchoice.org.

Picture Days

Tuesday, 10/18th – Miss Schrage & Ms. Burgoon

Wednesday, 10/19th – Mrs. DeAngelis, Mrs. Carroll, & Mrs. Shahnoor

Thursday, 10/20th – Ms. Chavez & Mrs. Hagedorn

Fall picture day is scheduled for each class on a specific day. On your child's day, they may wear an outfit of choice for a cute fall scene/backdrop.

If your child is ill on their picture day, they must remain home. United Photography has health policies in place as well, in order to protect their employees from illness.
