Adams Traditional Beginnings will strive to create a learning experience in a safe and nurturing environment; giving each child the confidence to explore new things, develop problem solving skills and express creativity. Our goal is to prepare your child for his/her transition into an academic kindergarten.

Our Program and Curriculum

Adams Traditional Beginnings offers a well-balanced curriculum designed to develop each child to his/her full potential by offering small and large group activities, independent exploration and teacher-guided learning. Your child will be learning language and pre-reading skills, exploring math and science concepts while improving social and communication skills. Every day your child will be exposed to different play opportunities encouraging independent problem-solving and introducing critical thinking skills. Music, art, and movement will be used to develop both fine and gross motor skills in a fun and meaningful way. A heavy emphasis will be placed on modeling positive citizenship, responsibility and respect for each other through positive social interaction. Adams Traditional Beginnings is one of few licensed preschools to offer the highly acclaimed Spalding Language Arts and Singapore Math Early Concepts. Our preschool utilizes the Core Knowledge Scope and Sequence in alignment with Adams Traditional Academy's curriculum and high standards.

Our Staff

Adams Traditional Beginnings is proud to offer quality instruction to your child. The commitment and dedication our staff have for caring for the whole child is our priority. Our teachers are CPR and First Aid certified, hold valid fingerprint clearance cards, have passed background checks, and have extensive experience working with children. Our teachers will have the appropriate training needed to integrate the Spalding and Singapore Math programs into their daily lesson plans.

Hours of Operation

Classes are held Monday through Friday from the hours of: 8:15 a.m.-3:15 p.m. (excluding all school holidays). Morning drop-off starts at 7:40 a.m. If you require an earlier drop-off, Adams Traditional Beginnings offers a before and after care program. Before and after-school care is available from 7:00 a.m. until 6:00 p.m. For more information, please pick up the Eagles' Nest Before and After School Care Handbook. Additional fees apply.

Who the Program is for/Program Progression

ATB is a two-year preschool program designed to prepare children for kindergarten. Similar to an elementary school program, students are grouped by their age at the first day of the school year and remain with their class through May. Year one is 3-year-olds turning 4, year two is 4-year-olds turning 5. Kindergarten admission is explained in AZED.gov as a child who has turned five by September 1st of the current year.

Age Requirements/Early Entrance

The ATB license is for children who are three years old or older. **We are not able to accept any child before his/her third birthday.** If your child is turning three in the month of August after the first day of school and you wish to enroll, the student's enrollment documents must be completed, and tuition paid by the first day of school to hold your child's seat **until they turn 3 and can begin attending.**

Students turning three after September 1st will be accepted as seats are available after their birthday. Enrollment packets will be accepted up to two weeks before the child's birthday. Children who turn 3 after September 1st and join ATB will receive what becomes a bonus partial year of enrollment. (Students will also be required to complete a readiness evaluation during the first week of attending to ensure a smooth transition and a readiness to participate in our program).

Toileting

Adams Traditional Beginnings holds a state license for three-year-olds who are fully potty trained. A child who is potty trained is capable of using child size and adult size toilets, recognizes the need to use the restroom without reminders and can independently manage cleaning themselves and redressing. An occasional belt, zipper, or button may require an adult's assistance. Toileting accidents will be handled discreetly and in a caring manner. If a child is experiencing three or more accidents in a week, we reserve the right to place your child on a re-training plan that will include time away from school. No diapers or pull-ups should be worn to school.

Registration

The registration fee is \$75.00 per child and must accompany the enrollment packet to retain your child's seat in a class. The registration fee is **NON-REFUNDABLE, NON-Transferrable**, and there are no sibling discounts on registration fees. A **NON-REFUNDABLE, NON-Transferrable** deposit of \$200 for half-day students and \$350 for full-day students is also due at the time of registration. **The deposit represents a prepayment of tuition that will apply to the FINAL tuition due.**

There is an Eagles' Nest before and aftercare program available. Please see the Eagles' Nest handbook for more information regarding the program. Any child left one hour beyond their scheduled pickup time without parent/guardian communication will be considered abandoned, and the proper authorities will be notified.

Enrollment/Disenrollment

The preschool annual tuition covers the days Adams Traditional Beginnings is in session as shown by the school calendar. Students who enroll after the first day of school will be charged prorated tuition at the regular daily rate. Students who withdraw **prior to the end of school will be charged the daily rate stated below based on their days of enrollment (not attendance)**. Student absences from the program do not generate a refund. To hold the student's seat, tuition is required for all absences. If you do not wish to pay the tuition to hold the student's place, your student must be withdrawn from the program. **A thirty-day written notice is required to withdraw a student from the program.** Withdrawal forms are available in the preschool office. Re-enrollment in the program is based on available seats, and no guarantee of placement is possible.

Parent Visits and Communication

Parents are highly encouraged to be a part of their child's education. There will be some opportunities for volunteering on campus, in class, at events, and project preparation from home. We ask that you keep in mind the flow of the class and distraction level created by an unannounced visit. Other than usual pick-up time, please stop by the school office to sign-in/sign-out and to retrieve a name tag to observe or to retrieve your child. We value the open communication and connection between your family and our school. Conferences, emails, and phone calls outside of class hours should be used for addressing more lengthy topics of discussion.

Special Needs Programs

A special needs program is not currently offered.

Student School Records/Updates

It is extremely important the school receive prompt updates regarding any address, phone number and parent employment changes, as well as any illness, allergy, or family circumstances that may need to be on record. Never hesitate to inform the school of anything that may be affecting your child personally. Our staff is required to keep information you share confidential, as it may assist in handling situations that arise during their day.

Lockdown, Fire Drill and Evacuation

Periodically, a fire drill or lockdown will be conducted during the school day. The children will practice proper procedure for lining up, where to evacuate away from the building, the importance of following instructions, remaining quiet and calm, and remaining with the group. It is helpful if parents have a discussion with their young children regarding these safety practices.

Discipline Guidelines

The teachers and administration at Adams Traditional Beginnings will use every opportunity to reinforce proper behavior and redirect improper behavior. If a student exhibits behavior that is harmful to himself, others, or property, or acts disrespectfully or defiantly, consequences will be imposed. Time out, either in class or another classroom, losing recess minutes or other privileges, phone calls to the parents, removal from school for the remainder of the day, and suspension from school are the forms of discipline used in accordance with the age and circumstances of the infraction. If the student's behavior continues to disrupt or interfere with the objectives of Adams Traditional Beginnings, the student's enrollment will be terminated with no refund granted. Snacks and meals will not be withheld for discipline purposes.

Transportation/Field Trips

There is no transportation available to and from our facility. There will only be in-house field trips for preschool students.

Parking Lot and Campus Safety

Please follow all directional arrows in the parking lot and drive at slow, safe speeds to ensure the safety of our families and staff. If a vehicle is found to be unlawfully parked, we reserve the right to have it towed. **Do not block fire lanes.** Adults are asked to treat other drivers with respect to model proper behavior to their children. Your preschooler will be always in the presence of a qualified staff member while on campus.

Pick-up/Drop-off Location

Adams Traditional Beginnings
2323 W. Parkside Ln.
Phoenix, AZ 85027

Pick-up and drop-off will occur on the south side of Adams Traditional Beginnings. A parent or authorized adult will park in designated parking spaces and is responsible for picking up and dropping off the child directly to his/her classroom. **Do not drop your child off in the parking lot and leave. A parent or authorized adult will be responsible for the sign-in and sign-out of the student.**

Daily Sign-In and Sign-Out

Only individuals listed on the emergency blue card will be allowed to pick up students from class. If a student participates in the Eagles' Nest Before and After School Care Program, an authorized staff member may clock the child in and out to transition between extended care and preschool. Otherwise, the person responsible listed in the student's file will be required to sign-in the student each morning and sign-out the student each afternoon in accordance with state requirements. In the event your child will be picked up by someone not listed on your blue card, you must inform the front office. Proper identification must be presented before the release of the child.

Clock-in your child each morning at drop-off and clock-out your child each afternoon at pick-up.

You may clock in your child beginning at 7:40 a.m. Any time before 7:40 a.m. is considered before care and you will be charged accordingly.

Once you have completed the electronic clock-in and signed the class lunch binder, the receptionist will allow the child to proceed to class. The clock-in reports are audited by the state and are required to be filled in properly. If for any reason an error is present on your child's clock in/out report, a staff member is REQUIRED to correct the line item to the best of their knowledge. Please assist us in keeping these records clear and precise by following these guidelines:

1. Please allow appropriate time at drop-off and pick-up.
2. Due to the nature of our state audits, please complete the clocking in process every day.
3. Please instruct anyone picking up for you that this process is extremely important and to have identification ready.

Health Policy

We care greatly for the well-being of our families and staff. For that reason, we want to keep the spread of illness and infection to a minimum. If your child has experienced any of the following in the past 24 hours, please keep him or her home.

- | | |
|---------------------------------------|---|
| 1. Fever of 100 or more | 6. Conjunctivitis |
| 2. Vomiting | 7. Unexplained rash |
| 3. Persistent diarrhea | 8. Head lice or nits |
| 4. Flu symptoms | 9. Rapid or labored breathing |
| 5. Severe cold symptoms (green mucus) | 10. Other contagious illness or infection |

Students should remain home if they are unable to participate in all class activities due to illness or injury.

A phone call or email is needed when your child is absent, or you can use the "Report an Absence" button on the Parent Resource section of the preschool website (www.ATBchoice.org). Please notify the school and state the reason for the absence. **Students are welcome to return once symptom free for 24 hours without the aid of medication.** A slight cough and slight runny nose, if it is clear, is not reason enough to keep a child home.

If your child becomes mildly ill while at school, we will keep them comfortable and isolated from the rest of the class. You will be notified immediately to pick up your child. If you are not reachable, the emergency contacts listed on the blue card will be called and asked to pick up your child in a timely manner. We ask that you inform the school of any contagious illnesses so we can post an alert on the information board and send home proper notification. Children with lice or nits, fever, vomiting or other serious illness will be sent home.

INJURY: If your child is injured and needs anything beyond simple first aid treatment, the teacher will determine whether there is time to consult a parent by phone or pursue emergency services first. An accident report will be filled out and any first aid given by the school will be noted within 24 hours. When a child needs to be transported, parents will be notified to meet at the hospital and a teacher will accompany the child to the hospital. All emergency phone numbers are kept by the phone in each teaching area.

ALLERGIES: Any child with an allergy is required to be posted on our Parent Information Board in each classroom with the necessary procedures if contact with the allergen occurs.

HAZARDOUS MATERIALS: All toxic and hazardous items will be kept out of the reach of children.

CLEANING: Tables and counters will be sanitized routinely throughout the day. Restroom cleanliness will be monitored frequently. Professional cleaning services will be utilized daily.

INFECTION CONTROL: Children will be instructed and assisted to keep hands clean especially after toileting and in preparation for snacks and meals.

Immunizations & Emergency Contacts

A child's immunization records are required at the time of registration. The Department of Health Services requires that the immunization record provided by a parent is from a health care provider. The record must contain all current, age-appropriate immunizations. If a staff member finds that an immunization is necessary, a notice will be sent. The family will then have ten days to update the records before the student is restricted. See the registrar for more information. It is the parent's responsibility to make sure that the information on the blue "Emergency Information and Immunization Record Card" is filled out and kept current. It is **extremely** important that all home, business, and emergency contacts are correct. You will need to list at least two local emergency contacts on the blue emergency card (these contacts must be at different addresses from each other and different from the parent). No one may remove their child from school unless listed on the blue card. **The emergency information and immunization blue card must be filled out completely. This is a state requirement. For returning students, a new blue emergency card is required each year.**
